THIS DOCUMENT IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION. IF IN DOUBT, PLEASE SEEK PROFESSIONAL ADVICE.

We accept full responsibility for the accuracy of the content of this document. Unless otherwise indicated, all capitalized terms in this letter shall have the same meaning as described in the prospectus for BIUF dated 1 September 2023 (the “Prospectus”), the Hong Kong Covering Document for BIUF dated September 2023 and the latest product key facts statement of the Underlying Funds (collectively, the “Hong Kong Offering Documents”).

Dear valued customer,

We are writing to let you know about the changes to BIUF and the Underlying Funds. You have invested in one of the investment choices corresponding to the Underlying Funds, which are listed in the “Which investment choices are affected?” table below under the column “Name and code of the investment choice”.

### What is happening?

We have been notified by Baring International Fund Managers (Ireland) Limited, in its capacity as manager of BIUF, of certain updates that are relevant to the Underlying Funds, which, unless otherwise stated, have taken effect on or around September 1, 2023 (the “**Effective Date**”).

### **1. Updates to Investment Policy of Barings International Umbrella Fund - Barings Hong Kong China Fund and Barings International Umbrella Fund - Barings ASEAN Frontiers Fund**

#### (a) Terminology updates

Certain terminologies in the investment policies of Barings International Umbrella Fund - Barings Hong Kong China Fund and Barings International Umbrella Fund - Barings ASEAN Frontiers Fund (the “**Relevant Underlying Funds**”) will be updated to reflect that:

- each of the Relevant Underlying Funds invests at least 50% of its Net Asset Value in equities of issuers that exhibit positive or improving environmental, social or governance (“**ESG**”) characteristics, and up to 50% of its Net Asset Value in equities and equity related securities of issuers that exhibit less positive ESG characteristics.

References to “companies” are replaced with “issuers” throughout the investment strategy of all the Relevant Underlying Funds as an editorial terminology update and does not represent a change to the investment policy of the Relevant Underlying Funds.

#### (b) Clarification on primary and ancillary investments

Further, the investment policies of the Relevant Underlying Funds will be updated to express the proportion of their respective primary investment based on their Net Asset Value (rather than total assets), and consequential updates to the disclosures on their ancillary investment (such as in cash and ancillary liquidities).

The changes set out above do not amount to any material change to the above Underlying Funds. There will be no change or increase in the overall risk profile of the above Underlying Funds following the changes. The changes do not have a material adverse impact on investors’ rights or interests (including changes that may limit investors’ ability in exercising their rights).

### **2. Availability of Pre-contractual Information Pursuant to Article 8 or 9 of the Sustainable Finance Disclosure Regulation (the “SFDR”)**

With effect from the Effective Date, the annexes to the Supplements of the Underlying Funds which contain the pre-contractual information pursuant to the SFDR regulatory technical standard in respect of Underlying Funds (if applicable) that fall within the scope of Article 8 or 9 of the SFDR (the “**SFDR Annexes**”) will no longer form part of the Hong Kong Offering Documents. The SFDR Annexes in relation to Articles 8 and 9 Funds which are authorized by the SFC will be available to Hong Kong investors (in English language only) under the “Documents” tab of the respective Underlying Fund section on Barings’ website at <https://www.barings.com><sup>1</sup>, and will not be appended to the Prospectus distributed in Hong Kong.

### **3. Other miscellaneous updates**

The Hong Kong Offering Documents will be updated to reflect other updates such as:

- Clarification to reflect that, under exceptional circumstances, an Underlying Fund may temporarily invest up to 100% of its Net Asset Value (rather than total assets) in cash, deposits, treasury bills, government bonds or short-term money market instruments or have substantial holdings in cash and cash equivalents;

<sup>1</sup> Please note that the website has not been authorized by the SFC and may contain information relating to funds which are not authorized in Hong Kong and information which is not targeted to Hong Kong investors.

- Amendment to the Chinese name of the benchmarks for the following Underlying Funds:

Underlying Fund	Current Chinese name of the benchmark	Updated Chinese name of the benchmark
Barings International Umbrella Fund - Barings ASEAN Frontiers Fund	MSCI綜合東協淨總回報指數	MSCI所有國家東協總額淨回報指數
Barings International Umbrella Fund - Barings Hong Kong China Fund	MSCI中國10/40淨總回報指數	MSCI中國10/40總額淨回報指數

For the avoidance of doubt, the benchmarks of the relevant Underlying Funds remain unchanged;

- Enhancement of disclosures on ESG integration approach, including the engagement policy with issuers adopted by the Investment Manager; and
- Other miscellaneous, regulatory, administrative and editorial updates, enhancement, clarification and simplification of disclosures, including updates to tax disclosures and consolidation of supplements of Underlying Funds into the Prospectus.

A copy of the revised Hong Kong Offering Documents will be available from [www.barings.com](http://www.barings.com)<sup>1</sup> on or around the Effective Date.

However, if you do not wish to maintain your investment in the Investment Choice(s), you may switch your existing holdings or redirect your future contribution allocations to alternative investment choice(s) by submitting an instruction to us, free of charge.
